

Terms and Conditions of Trade.

No one likes the small print.

While it might feel a bit time-consuming to read the fine print, we do believe it is the best way to manage expectations and avoid any surprises. Our terms of trade set out what we will deliver to you and what we expect from you. The last thing we want is a mismatch in understanding and a poor outcome for you, the homeowner.

We believe in providing great service and we take pride in our standards. The terms of trade below serve as the criteria for all of the work we carry out. These terms override any agreements made in person, over the telephone, or in any other communication.

When you ask **Plumber Dan Limited** to carry out work on your behalf, you agree to uphold your obligations under these terms of trade.

If you have any questions please contact our office on 06 2813901 or email us at plumberdanltd@gmail.com. If you are unhappy with the work we provide, or have any problems or comments, please let us know immediately. We will do our best to fix any problems right away. If you do not give us feedback or if you delay payment, it makes it difficult for us to put things right.

We take pride in what we do and would love for you to use us again and tell your friends. You can be sure that we want you to get the outcome you are after, as much - if not more- than you do.

Statutory Holidays attract a Call Out Fee of \$300.00 inc GST for the first hour & double time rates after the first hour.

Administtrain & Mileage Charge

The Admin & Mileage Charge is a one-off fee within the City Limits. We have to cover the cost of the administration for your job and the running of the vehicles. Further Mileage will be charged for sites out of City Limits. Details are available at the Plumber Dan office.

Additional Travel Back to Office/Workshop

In some circumstances, if your property is located outside of normal travel routes, you may be charged for the time it takes for the tradespeople to travel back to the office/workshop. If it is more than 30 minutes, you may be charged for the extra time it takes the tradespeople to reach their destination. We as a firm, believe that it is good practice to pay the tradespeople when they are travelling for more than 30 minutes. The exception to this is normal travel to and from home in peak motorway traffic. This condition usually applies to work outside of the city.

After Hours Work

If, in the course of a job, you ask us to do work which falls outside of normal working hours, we will have to charge you additional fees. If it has been arranged as a call-out, double time will be applied. If not, additional fees will be applied to cover the overtime rates.

Cancellations/Rescheduling Appointments

- If you need to cancel your appointment, please provide us with at least 24 hours notice.
- A cancellation fee may apply to appointments that are not cancelled within 24 hours of your appointment.

Payment

- For call-out jobs and emergency jobs, payment is due when the work is complete, unless we have made other arrangements. If you have been sent an invoice, payment is due as per the payment date on the invoice.

- Once your job is complete, you will be sent a final invoice by email. Our standard Payment Terms are 7 days only unless otherwise arranged.
- Please let us know before work commences if you would prefer an invoice to be mailed to you, as our default communication is email.

Deposits

- Quotes and some charge up jobs will require a 50% deposit before work commences.
- If a deposit invoice is sent and remains unpaid before the work commences, we reserve the right to halt work until payment is made. We also reserve the right to cancel the contract entirely, if payment is late or delayed.

Progress Invoices

- Progress invoices are claims for work done on site, before the entire job is completed. This covers labour and materials for work done to date. The cost of materials and the amount of time spent on your job will dictate whether you will be sent progress invoices.
- As part of our agreement, you accept to pay these progress invoices when they are due. You understand that you cannot withhold payment for any reason.
- If for any reason work has paused on your job, you can request an invoice to settle the account by calling the office.
- We reserve the right to stop work if progress payments have not been made.
